Attorney Docket No. PA235R1

REMARKS

Claims 1-22, 40, 43, 44, 51-59, and 77-94 were previously pending.

In the Office Action dated June 8, 2011, all of the pending claims were indicated as being allowed, however, the Office Action identified an informality as to an improper format of some

of the claims and requested submission of a new amendment that included proper markings of

matter omitted or added to the claims. The above-noted amended claims address the informality

by including the proper marking according to 37 CFR 1.173. Thus, Applicants respectfully

request reconsideration of this application, withdrawal of the formality objection, and issuance of

a Notice of Allowance.

Should the Examiner determine that any further action is necessary to place this

application into better form, the Examiner is encouraged to telephone the undersigned

representative at the number listed below.

CONCLUSION

In light of the remarks contained herein. Applicants submit that the application is in

condition for allowance, for which early action is requested.

Please charge any fees or overpayments that may be due with this response to Deposit

Account No. 17-0026.

Respectfully submitted,
